Will YOU Take A Pie For Cancer?

By *Cristy Flippin*

On Friday, April 1st, WHS had a pie throwing event. The teachers were asked if they would take a pie to fight cancer, as a Relay For Life fundraiser. Many of the teachers participated and got pied. The students had a lot of fun pieing their favorite teacher and raised money for the fight against cancer! The pie throwing event was held during AB on Friday and, along with being able to purchase pies for \$1, students could also buy cans of pop for \$1. The event was a lot of fun and will hopefully continue for years to come.

Earth Day

By *Brenda Flerlage*

Some of the Wabaunsee students are helping out with the Earth Day presentation. It's held every year at the fair grounds in town. Some kids from the surrounding schools come and experience many ways to keep the earth in better condition, as in don't pollute! Mr. Davis's classes take turns throughout the day going and doing their part in helping show some of the presentations.
