A Word From the Coach

By: Brenda Flerlage

First off, thank you to all the parents, faculty, junior high students, and community members who helped run off the meet. We had over 50 helpers involved, which is awesome for a school our size! We just missed out on catching St Mary's for 5th place by two points on both the boys and girls, but had 25 season bests, including medals in 4 of the 6 relays. Only Rossville medaled in as many relays as we did. We'll look to keep making progress on Friday at Regionals where the top four places in each event qualify for State. With continued improvement, we hope to continue our tradition of state qualifiers.

Project

Graduation!

By: Brenda Flerlage

This event happens every year the night of the Seniors' graduation. It is put on by the parents of the Seniors. There are fun games, many door prizes to be won, and most importantly, memories to be made as a Senior class one last time.

The morning after the event, the graduated students tend to camp out in the school's parking lot to have a few laughs together before they part their separate ways for college.
