WHS HOMECOMING

By Ciara Carroll

This year's homecoming was on October 1st. The Chargers played the St. Marys bears and played a very good fight but ended up losing the battle 7-34. The homecoming candidates were Eric Hauer and Cathy Hafenstine, Dalton Whitwam and Chelsea Diepenbrock, Mark Anderson and Melissa Ebert and Kaleb Johnson and Chelsey Reves. The vote came to announce that Eric Hauer and Chelsey Reves were the King and Queen. At 4:30 the students paraded downtown in their class floats or sport floats.

The candidates had to endure some pretty messy games but it was all in good fun. The juniors won both window painting and most spirited class. This year there is a new title given out called Mr. and Mrs. Spirit Week. The winners of that were Cody Flippin and Brenda Flerlage, both juniors. The Booster Club held their mulligan and chili feed to help Project Graduation raise money for the seniors. At halftime the cheerleaders performed their home routine dance that won them first place at cheerleading camp. And of course, the night ended with the Homecoming Dance thrown by StuCo.

Volleyball

By Ciara Carroll

The Lady Chargers have made a successful comeback from their recent losses. They finished 5-0 at the Onaga Invitational, and came home with a first place plaque. Senior Night for the Lady Chargers was Tuesday, October 5. They played Rock Creek, and came out on top 2-0. Sub-State for the Chargers is Saturday October, 23 in Immaculata. Come support your Lady Chargers! Let's see these girls off to state!

Regional Tennis

By Kristin Berroth

The time has come for the tennis team to show off their level of skill at Regional Tennis. Regionals took place at Washburn Rural High School in Topeka. The girls that represented Wabaunsee High School and the tennis team were Becca Chamberlain, Chelsey Reves, Chelsea Degan, Loni Larson, Kristin Berroth, and Hannah Berroth. The way regionals works is, if you continue to win enough matches and you are one of the top six teams, you continue playing on Saturday to determine what place you finish at Regionals. That place will determine the spot you will be seeded in the State Tennis meet. The regionals had twenty-two singles players and twenty-two doubles teams.

Fun Facts About The Staff

By Cristy Flippin
